Several awards presented at BAGI's annual Industry Awards Gala

(March 12, 2013) The annual Industry Awards Gala held at the Indianapolis Zoo Dolphin Pavilion on February 28 was an evening of camaraderie, recognition and celebration.

The BAGI Service Awards consist of the Firm Foundation Award, the Esprit de Corps Award, the Associate of the Year Award, the Builder of the Year Award, and the Mike Boeke Distinguished Service Award.

This year's recipients were: Firm Foundation Award: Custom Concrete; Esprit de Corps Award: Cathy Stegemoller, Steg Plumbing; Associate of the Year: Bill Wilson, Clark Appliance; Builder of the Year: Joe Garcia, G&G Custom Homes; and the Mike Boeke Distinguished Service Award: Curtis Rector, Arbor Homes.

The Firm Foundation Award is the only award given to a company. It is presented to a BAGI Member firm that has demonstrated commitment to the building industry through its involvement with the Association. This dedication is shown through sponsorship support and individual member involvement.

The Esprit de Corps Award is given to someone who embodies the "Spirit of the Troops." It is presented to an individual who has demonstrated outstanding member involvement and who has become involved in recent years.

The Associate of the Year Award is presented annually to an individual associate member who has returned significant time and service to the residential building industry and who has worked diligently on behalf of his / her fellow association members over the past year.

The Builder of the Year Award is presented annually to an individual builder who has returned significant time and service to the residential building industry and who has worked diligently on behalf of his / her fellow association members over the previous 12 months.

--more--

The Mike Boeke Distinguished Service Award. It is presented annually to an associate or builder member who has exhibited outstanding loyalty, professionalism, and dedication and who has contributed significantly to the residential building industry over a period of years.
