**Nine Students Awarded BAGI Scholarships Totaling \$10,500**

(April 8, 2013) The Builders Association of Greater Indianapolis (BAGI) recently announced the winners of its annual scholarship competition. This year, BAGI awarded scholarships in the amount of \$10,500 to nine recipients in order to encourage students to pursue careers in the home-building industry in Central Indiana. Since 1989, the program has awarded \$286,350 to a total of 281 recipients.

This year's recipients are:

- Seth Bollier, Construction Engineering Management Technology, IUPUI
- Claire Hoover, Construction Management, Purdue University
- Dylan Shively, Building Construction Management, Purdue University
- Garrett VanKirk, Building Construction Management, Purdue University
- Ashley Wingate, Building Construction Management, Purdue University
- Heath Vollmer, Construction Technology, Vincennes University
- Cody Burris, Construction Management, Indiana State University
- Andrew Smith, Construction Management, Indiana State University
- Kayla Fieldhouse, Architecture, Ball State University

The Builders Association has two scholarship funds: the H.F. Tim Hines Scholarship and the Richard Sapp Scholarship. Eligible students must be enrolled in a construction technology or a related construction program.

BAGI's scholarship programs were created to honor past leaders and members of the organization. Through these programs, the Association hopes to encourage students interested in residential-construction careers to pursue an education.

Information about the scholarship program and BAGI can be found online at [www.bagi.com](http://www.bagi.com).

The Builders Association of Greater Indianapolis is a professional trade association representing residential homebuilders, associates and remodelers. For more information call 317-236-6330.
