Dear BAGI Member:

The *2012-13 Home Building and Remodeling Directory* is now available and it serves two purposes: 1) As a member-to-member networking tool; and 2) As a reference for homeowners looking to do business with top industry professionals.

We want to thank all members who advertised in this year's directory. Because of your support, copies of the guide will be distributed through the Indianapolis Home Show, Homes of Distinction, local real estate offices, member showrooms, and requests to our office.

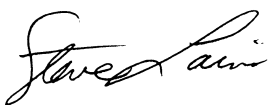

Your help is vital in getting the message out to "Do Business with a Member" among your employees and customers. You can request additional copies of the *Directory*, at no cost, by electronically filling out this PDF form and emailing it to **Rhonda Malatestinic** at **rhondam@bagi.com**.

The copies will be packaged and ready for pickup at the BAGI office, 1011 Dr. Martin Luther King Jr. St., or we can coordinate bringing them to you at the next association function.

If you ever find yourself without a printed booklet, the *Directory* is online at [www.bagi.com/BagiGuide.htm](http://www.bagi.com/BagiGuide.htm) and accessible to your mobile phone at <http://m.bagi.com>.

Every effort has been made to produce an accurate publication, if there is a discrepancy in your listing, please notify the BAGI office at 317-236-6330.

Sincerely,

Steve Lains, CEO
